## WALKATHON

We would like to congratulate our students for participating in this year's walkathon and the parents for their support. A big thank you goes to the Executive Committee of the Port Adelaide Greek Community for providing the sausages and the water and the School Council for all their work behind the scenes. Also, thank you to the staff for organising this event.

All money raised from the Walkathon will go towards purchasing resources for our students.

The student who collected the most money is Dimitri Papageorgiou. In second place was Jacinta Nicotra, and equal third were: Stratos Loulas, Michael Loulas and Panagiotis Palasis. We would like to congratulate all the children who did a fantastic job collecting donations.

## STAFF PROFESSIONAL DEVELOPMENT

Our Staff attended a special conference organised by the Ethnic Schools Association. This Personal Development Day, was well prepared and organised with a comprehensive program regarding awareness of new approaches, information about new trends in education and the digital age. I am sure that the benefits of this conference will be carried to our students.

Three staff member also had the opportunity to travel to Melbourne and attend Omiros College and see the wonderful work they do with their children. With them they brought back some wonderful ideas and resources and are eager to implement new strategies in our school.
